

## TWO GLASSES – HALF FULL OR HALF EMPTY

Philippians            4:11-13        1232            Paul's secret  
Contentment whatever the circumstances.  
Both in plenty or in want.  
We can do everything thru God's strength!  
What would it take to make you content?

1 Timothy             6:3-10         1246            Where is your love?  
Look at the steps to the love of money.  
Financial wealth is not always an indicator of God's blessing.  
What does everyone leave when they die?  
Beware of the trap of the love of money.

Ecclesiastes         5:10-12        700             Satisfaction  
Look at the "rich" around us.  
Who gets the better night's sleep?

Ecclesiastes         7:14            702             Good times and bad times.  
God makes all times.

2 Corinthians        12:7-1         1216            God's grace is sufficient.  
God allowed a situation in Paul's life.  
God said "no" to Paul's prayer.  
We need to delight in weaknesses, insults, hardships, persecutions and  
difficulties.  
When we are weak God is strong thru us.

Hebrews              13:5-8         1265            God will never leave us.  
Again be content.  
We are truly rich in Christ!  
What can man do to us?  
Others need to see the example of our faith.  
Jesus is unchanging!
