GROUP REPORTS

KING'S KIDS OF HEMLOCK - Brian Dudley/Jim Sutton

We continue to have good, in-depth discussions with heavy questions often being asked. Please pray for our continued leading as we seek God's wisdom answer these questions. Each week we challenge our participants to invite friends to group. Your prayers will help match up prepared hearts.

Praise God for Brian's excellent work and servant attitude.

FIRST STEPS OF HEMLOCK - Bryan Johnston/Jessica Flynn

There is a special need for prayer here as the children have been asking many questions about the basics of Salvation. This is the primary reason we are here is to direct the kids to a decision for eternity.

Bryan has a tremendous burden for the children and their Salvation.

Jessica Flynn continues to undergo medical testing to determine the cause of her problems. Please continue to pray that she will soon be back to all of her activities.

WEB SITE www.rdurkee.com/otrym

The links page is up and running. We are delighted at the number of people that have been visiting the web site. Please check out our links page today for sites ranging from children's Bible stories to ham radio information.

The web site is now set up so we can change the information. We need someone to walk us through the steps of changing the data. Please consider investing an evening in helping so we can keep our web site up to date.

FAMILY UPDATE

My mother, Bessie Sutton, has received a knee injury and is now a patient at Genesee Hospital in Rochester and then to a short nursing home stay for therapy. Please pray for her recovery and for her caretakers to take more care in the quality of their work. It is our desire that space will be available at East Side in Warsaw. Please pray that they will have an opening.

In mid-March I will be spending a day for testing. This will be in search of the source of intestinal problems. Please pray for the doctor's effort as this diminishes my energy.

SUMMER SUGGESTION

This summer Erica, Jessica and I will be spending our third summer at Odosagih Bible Conference on Lime Lake in Machias. Odosagih offers great Bible teaching and music, delicious meals, and fellowship in a quiet wooded setting just south of Arcade in Cattaraugus County.

Stop by the office in Hemlock for a brochure. Brochures are also available at WCJW Radio on Merchant Road in Warsaw. Call Odosagih today at 353-8555 for more information. Be sure to check out the discount for early reservations.

Your summer at Odosagih Bible Conference will be a memorable one where God does great things in the lives of you and your family.
