The Family Business Journal equips Christian families to create or enhance a full or part time family business with timely tips on everything from tax tips to marketing techniques. Learn from others who have grown their business through trial and error.

See how families have grown closer and avoided the rat race of corporate tensions and long commutes. Cry and laugh as you see how God has blessed their endeavors.

Visit their web site and while you're there see some beautiful pictures of Lancaster County, Pennsylvania.

## **FAMILY UPDATE**

Growth spurt Here we grow again. We are still in need of clothes for Erica. Erica wears a size 18, at 4'8" and 110 lbs. Erica is 36 chest, 32 waist, and 39 hips. Even items a size or two larger are welcome as she outgrows them fast!

Basically any items are welcome including summer clothes, shoes, sneakers, swim suits, shorts, dresses, skirts, and socks. Cold weather items such as snowsuits, coats, boots, etc. are also welcome.

Please share this with anyone who may have older girls who have outgrown their clothes.

Odosagih Bible Conference God blessed us with a superb week at Odosagih. Erica and Jessica had great times in Junior Church. The weather was as close to perfect as could be expected. The speaker spoke of growth that should be seen in the local church as we studied the person of Joshua.

Odosagih will be in full swing through Labor Day Weekend. visit their web site at [www.freepages.family.rootsweb.com/~odosagih](http://www.freepages.family.rootsweb.com/~odosagih) or give them a call at 353-8555.

Yard Sale Saturday, August 11 will be the Sutton Family Yard Sale at WCJW Radio, 3258 Merchant Road off Route 20A just east of Warsaw. Go south from 20A at the bowling alley to WCJW Radio on the left.

Please plan to visit on Saturday, August 11. You can get some great buys and see the area attractions including The New Farm with great vendors and a petting zoo.

VCR Needed We are looking for a VCR for use as a TV tuner. The tape portion does not need to be functional
